Parking

Limited public parking is along **Village Way**, Currumbin Valley. Please park in designated areas only. If you are visiting the Hall, please park and walk to avoid noise impacts to residents – see this map below. Disabled parking is shown in orange. After parking, you can walk down Jingaree Perch or Community Way to access the hall (noting a resident with a key fob will need to let you in the gated community hall/facility area).

Note: Telstra phones do not work well in the area due to a known Telstra black-spot, which Telstra are aiming to resolve in 2025+.
